(929) 404-3759 | nathanielsc1978@gmail.com

---

## EDUCATION

**University of Rochester** – Rochester, NY

*Bachelor of Science in Computer Science (Expected Graduation: May 2028)*

**Park East High School** – New York, NY

*High School Diploma (Graduation: June 2024)*

---

## SKILLS

**Programming Languages:** Python, Java, HTML, CSS, JavaScript

**Web Development Tools:** Bootstrap, APIs, Responsive Design

**Office & Collaboration Tools:** G Suite, Microsoft Office

**Other:** Public Speaking, Problem-Solving, Machine Learning

---

## EXPERIENCE

**Heckscher Scholars Program** – New York, NY

*Participant (June 2022 – June 2024)*

- Enhanced public speaking skills through peer presentations and leadership activities.
- Conducted research and worked on advanced mathematical projects, including problem-solving in calculus and statistics.
- Gained insight into complex societal issues and economic challenges.

**America On Tech, Tech Flex Leaders Program** – New York, NY

*Tech Flex Leader (September 2023 – June 2024)*

- Developed skills in advanced coding (HTML, CSS, JavaScript) for interactive and responsive website design.
- Built a machine learning model using Python to successfully predict NBA Finals winners.
- Delivered a final presentation to program peers and visitors during the graduation ceremony.

**Hunter College Now Computer Science Program** – New York, NY

*Participant (January 2023 – May 2023)*

- Completed an introductory course in Python, focusing on fundamentals and problem-solving techniques.
- Developed algorithms to solve real-world challenges using Python code.

**America On Tech NYC TECH360 Bootcamp** – New York, NY

*Participant (July 2023)*

- Learned foundational skills in HTML, CSS, and Bootstrap for building web applications.
- Collaborated with peers to create and present a fully functioning website to the community.
